2010

President Report

Hello everyone

The 2010 Jamboree went well. Thank you to all the volunteers. Cannot emphasize enough how much I appreciate all the hard work that goes into the Jamboree. We were able to try something new this year. We opened a range for shooting on Friday. It seemed to go well. We would like to try for two ranges next year to open on Friday, if possible, but that will depend again greatly on the volunteers. We had a couple of volunteers

for the Competition Directors position thank you for stepping up we will be calling on you at the next board meeting. There were also a lot of pictures taken and we will try and get them posted on the web site as soon as we can.

As a quick reminder, keep up on what's going on with Fish and Game on their web site and read their meeting notes. Review their agendas for upcoming meetings and if you see things that are of a concern

Tom Haver
President

to you contact you regional director. If there are meetings in your area, go to them or go as a group.

Good luck on your hunts.

Tom

ISB Mission

The Idaho State Bowhunters Inc. is dedicated to promote biologically sound wildlife management; to keep our members currently informed on matters that affect their hunting privileges; and to encourage the formation of new archery clubs who will lend strength to our goal of maintaining quality bowhunting in Idaho.

Vice President Report

Eric Thomas
Vice President

Not much new in my department since the Jamboree. However, I wish to express my gratitude to all of the wonderful volunteers. Everyone's hard work made it a great event that ran as smoothly as possible. Still a lot of work, but having folks step up out of the crowd and lending a hand significantly lowered my stress level. It was great to be able to open a range on Friday afternoon to go along with Treasure Valley Bowhunters on their great job running the smoker rounds. With your continued support we should be able to do it again next year. Hope you are enjoying the hunt this fall and looking forward to hearing the stories — the true and the kind of true — of the ones that got away and those that will help feed the family.

Eric

Secretary Report

It looks like we had another successful Jamboree! Everyone worked hard and earned compliments for their efforts. Many hours of hard work goes into setting up and tearing down for the Jamboree. I would like to personally thank all of the volunteers.

On a side note we do have some shirts and hats still available contact me if you are interested. I am looking forward to an even better year in 2011.

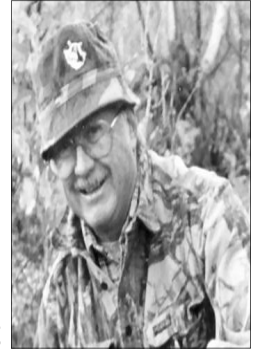

Rosean

Rosean Newman
Secretary

Past President Report

I want to thank the ISB Executive Board for honoring me with the Bowhunter Service Award. The service award now has a prominent place in our home and in my heart. Also, I would like to thank my old compatriot, and Pope and Young club president, Roger Atwood, for accepting the award in my behalf.

Richard Beesley
President

Thank you Lawrence for the thoughtful letter you sent to Judy and me this summer.

Good hunting everybody.

Yours,
Richard

Roger Atwood accepts the ISB Bowhunter Service Award on behalf of Richard Beesley.

Region 4 Report

The 2010 Jamboree shoot went extremely well. I want to give a special thanks to everyone that helped set up the courses and tear them down — it was highly appreciated.

I hope everyone has a happy hunting season and good luck!!

Region 3 Report

Blake Fischer
Region 3 Director

The Idaho Traditional Bowhunters stepped up to the plate again this year at the Jamboree by conducting the kids shoot on Sunday for the third consecutive year. I would like to thank ITB President Jeff Fealko and his fellow traditional bowhunters for running a very smooth and fun event.

There are many other examples of clubs stepping up and helping at the Jamboree, and I don't mean to single out the Idaho Traditional Bowhunters, but I had the opportunity to help my 3-year-old daughter shoot this year in the "Chick Girls Assisted Division". Watching her shoot and have fun was the highlight of my Jamboree. Of all the fun and good times I have had at the Jamboree over the years, this was awesome.

Parents, if you have kids, bring them to the Jamboree. This is a family event that you can do on an annual basis and the kids will love it. The more that we can get our kids outdoors, and with a bow in their hand, the stronger the love of archery will be with them and hopefully the future of our sport will be carried by them.

Blake

Region 7 Report

Thank you!

Thanks to everyone who attended and helped at the Jamboree. It was a great time and as far as I know the event came off without a hitch. The weather was great and it even had a hint of fall in the air. It's nice to have to put a jacket on in July and fling some arrows.

I would also like to send a big congratulations out to Jason Davis who won one of this year's college scholarships, and yes he will be attending ISU this fall. With Gods help he will finish (I just had to slip that in there jordel, jordel).

I am sure by now everyone has heard there will be no wolf hunts this year. The Forest Service has also released their new travel planner maps with

info on what roads you can drive or not drive on. You may want to take a minute and gather some of this info before you head out into the field this fall.

I wish everyone the best of luck on your hunting seasons for 2010. Oh, I almost forgot, last year hardly anyone submitted any type of animals at all for big game species. If you are hunting and you harvest any type of game and you would like to submit your species, please contacts us or check the website for direction and help.

Now get out there and shoot some arrows.

Mike

Mike Wallingford
Region 7 Director

BOWHUNTER'S CREED

I firmly resolve, without reservation or equivocation, to uphold the following bowhunting principles:

- That I will support national, state and provincial regulatory agencies and conservation organizations in the propagation and management of all game.
- That I will at all times actively support and promote hunting with a bow.
- That I will abide by current game regulations and at all times conduct myself as a sportsman so as not to bring discredit to the bowhunting fraternity.
- That I will respect landowner's rights.
- That I will assist all bowhunters in locating places to hunt, but I will not impose myself knowingly on another bowhunter.
- That I will enjoy the challenge of the hunt and will study the habits of the game I hunt.
- That I will use legal archery equipment and will search long and diligently to track down and recover any wounded game.
- That I will not undertake or commit any act which could be construed as detrimental to the ancient and honorable art of bowhunting.

Big Game Chairman Report

Zach Bowhay
Big Game Chairman

Hello Everyone,

The Jamboree seemed to be a huge success with everyone enjoying the ranges as well as all of the other festivities. The ranges were great and I would like to thank everyone for all of their hard work which made it possible for us to all have some great shooting.

One quick note before I get to my business, I would like to thank Roger

Atwood for accepting the Bowhunter Service Award on behalf of Richard Beesley who was unable to make it to the Jamboree. Roger you did a great job as usual giving us some background on Richard as well as saying some kind words. As for Richard, I hope you realize how much you deserved this award and your hard work is very much appreciated by many.

As far as the Big Game Awards **please** everyone send in your kill reports this year. Big or small, send them in! You may just get an award.

As you will see we didn't even have a trophy to give for some of the Best of Species because we just didn't have any scores turned in. So please everyone send them in.

The winners for 2009 for Bowhunter of the Year and Best of Species were:

- Youth Bowhunter of the Year- Dylan Forrester
- Men's Bowhunter of the Year- Joe Bronson
- Women's Bowhunter of the Year- Nancy Atwood
- Best of Species Mule Deer- Gordon Smith
- Best of Species Moose- John Wells
- Best of Species Elk- Ty Cameron
- Best of Species Antelope- Dave Burgett

Great job all of you on a successful season. Good luck on your fall hunts and remember send in your kills.

Zach
